DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The communication filed on April 28, 2006 is not deemed to be fully responsive to the Office action dated March 2, 2006 because this communication fails to comply with all of the requirements contained in said Office action. The previous Office action contains an election of species requirement wherein Applicant was required to elect a single disclosed separator species to be examined, and to identify the claims readable thereon (see page 3, first three full paragraphs). The above noted communication fails to do so, and is therefore non-responsive.

Since the above noted communication appears to be *bona fide*, Applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment of the application. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to I. Cintins whose telephone number is 571-272-1155. The examiner can normally be reached on Monday through Friday from 8:30 AM to 5:00 PM. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Mr. Duane Smith, can be reached at 571-272-1166.

The centralized facsimile number for the USPTO is **571-273-8300**.
